Glass Works

Lawrence (Jerry) Morrell

Etched & Carved glass

Windows, door inserts, custom art tables, interior glass privacy screens & partitons, Custom inter-actively illuminated sculptures in glass for fine art installations.

www.lawrencemorrell.com to see scope of my work. I create frosted, etched designs on front door glass and window inserts such as Frank Lloyd Wright inspired and other designs for period style homes. Nature designs such as Bamboo and grape leaves, geometric borders and frosted patterns on bathroom windows and doors for privacy and the underside of glass dining and end tables. Designs can be custom to match or complement other designs in the home or professional office. Corporate logo's deeply carved into glass and edge illuminated for signs that change color and create great interest from the street. High end custom furniture: stacked and chiseled glass solid glass tables and bases glued together with high strength, perfectly clear adhesive. Installations of LED illuminated bar tops (See Monumental on website): The Art Bar at the Portland Center for the Performing Arts. 807 NE Going St., Portland, OR 97211

Massage

Christina Demetro, HHP, LMT

Licensed Massage Therapist

I am a certified holistic health practitioner and licensed massage therapist in both Oregon and Washington, and am certified in Swedish, Deep Tissue and Neuromuscular Therapy. Additional modalities include Structural Reintegration, Shiatsu/accupressure, energy work, sports and pregnancy massages, among others. For the past seven years, I bring to my practice an intuitive presence, and I welcome you to visit me at my home studio on Mt Tabor, near SE Belmont, for relaxation or healing.

(503) 256-2273

Ilse Witterland, BS, LMT

Massage Therapy

I have been a massage therapist for 12 years, using a variety of modalities to get all the aches and pain out. www.azuaralaska.com for more information. I'm a massage therapist to make my money and just got a job managing a HIGH end boutique that deals in wearable art. I am doing waxes now to get ready for a bronzing session, and still a stone carver, doing mantle size stone pieces. Like all artist's I'm married to my art, and floating from one project to another. ;-)

Sculpture Services

Jennifer Corio & Dave Frei

Cobalt Designworks, LLC

Metal fabrication services – functional and sculptural

Have an artistic vision that includes metal? We can fabricate to your design specs. Cutting, forming, welding, finishing in steel, stainless, aluminum & sheet bronze. Whether it's a complete metal sculpture or simply a frame, pedestal, armature for other media, we deliver high quality craftsmanship. We also offer CAD services to create 3-d renderings of your design. We do functional metalwork, too -- gates, railings, garden structures, signs and more.
